

MUSIC - EDUCATION GROUPS ONLY

In an effort to continually move forward and make our eisteddfod easier for everyone, we will be moving away from the use of CDs and updating our music procedure. This year we have decided to accept early submission of EDUCATION GROUPS music.

We ask that you use the correct naming conventions as set out below (using iTunes) for each of your music items.

If you choose to submit your music early, the **ONLY** email address that will accept your files will be music@dancesunshinecoast.com.au.

Please make your subject: EDUCATION GROUPS MUSIC - (your school name)

As an extra cross-check you can list each piece in the body of the email

SECTION:

SCHOOL:

COMPETITOR No.:

SONG TITLE:

START ON/OFF:

If you have several items please feel free to Dropbox them - email the link to us at music@dancesunshinecoast.com.au

ON THE DAY: We will have ONE computer setup to take your music. Whilst every effort is taken to quickly help entrants with music, if there is a line up at the music desk there is little we can do. Early submission is the best option.

HOW TO NAME YOUR MUSIC - IMPORTANT

In iTunes:

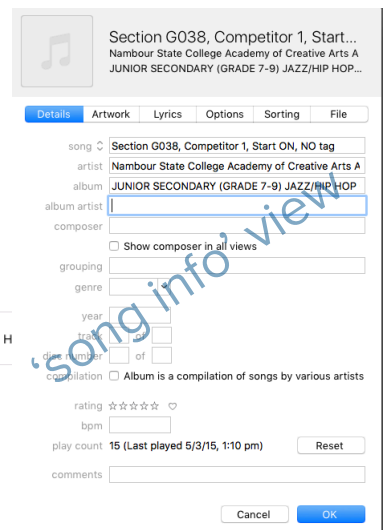

Song name: Section XX, Competitor XX, Start ON/OFF, no TAG/TAG

Artist: Competitor name

Album: Section name

(Please do not use any abbreviations)

EXAMPLE:

Any queries on the process can be asked prior to the eisteddfod by emailing music@dancesunshinecoast.com.au.

NB. Definition of tag: Piece of music added to dance at the end that allows the dancers to bow & exit stage to music

PLEASE ENSURE YOU BRING BACKUPS OF YOUR MUSIC EITHER ON USB STICK OR DEVICE (iphone etc)
